

**Manufacturer:** Volta Belting Technology Ltd.  
Hanechoset Str.49.  
2165374 Karmiel, Israel

**Products:** Positive Drive Belts, Flat Belts and Profile Belts

We hereby confirm that the supplied conveyor belts manufactured by Volta Belting Technology:

- Do not intentionally contain Bisphenol A (BPA, CAS 80-05-7).
- Are manufactured in compliance with:
  - Regulation (EC) No 1935/2004 and Commission Regulation (EU) No 10/2011 on plastic materials and articles intended to come into contact with food, as amended, including Commission Regulation (EU) 2024/3190 concerning BPA and other bisphenols, and Commission Regulation (EU) 2025/351.

Where relevant, raw material suppliers have confirmed absence of intentionally added bisphenols subject to restriction under the above regulation.

Based on supplier declarations and formulation review, the products comply with the applicable requirements regarding bisphenols for food contact materials.

This Declaration was issued on 4-th of May 2026.  
Updated statements will be provided when the Declaration`s validity is affected by changes in the information or regulatory requirements.
