

The Art of Fabrications –Volta Funnels

Industries & Applications:

Snacks Producers.
Integration into packing lines for Nuts, Cookies, Frozen Meat Nuggets and Pet-food.

Challenge:

The existing funnels are made of hard Stainless Steel or rigid plastic materials. The latter breaks very easily and funnel fragments enter the production flow.

Solution:

Volta Funnels made of FMW-2 mm and 3mm homogenous material.

Result:

Long lasting, food approved material.
Metal detectable.
Reduced noise level.
The flexible material will not damage the final product.
Easy to install.
Eliminates plastic fragments in end product.
Custom made funnels (additional shapes and Volta references can be supplied).
